

## **JOHN AND ANGELA**

*Serving in Outback Australia*

More than 10 years ago John and Angela packed their things and moved with their two boys, Michael and Shaun, to Malawi. There they have been living and serving with the Global Interaction team to bring whole of life transformation to the local people. Not only that, but their family has grown to also include Grace, Martha, Ruth, Brian and Jessica.

John and Angela have a great passion for equipping local people to develop their own distinctive ways of following Jesus. In Malawi they were involved in forming LifeGroups - village based fellowship groups. In ten years this grew to more than 120 groups with more than 4,000 adults regularly attending. What's even more exciting is that these groups are now led and directed by local people.

Now they are returning to Western Australia to take up a role with the Global Interaction team in Outback Australia. They will be based in and around Newman, serving the Martu people. They will be involved in supporting the emerging church groups of the region and empowering the people to respond to the needs of their community.
